

Dynamic Advertising Network Link up your message.

- **Connect to a network of marketing mediums**
- **Display your message at point of purchase**
- **Maximize message Integration**

With the insurgence of Dynamic Digital Signage and Digital Out of Home marketing, Capta-Vision has created a powerful advertising network. We offer the ability to market your product on our digital signage systems ranging from retail applications, health care, automotive, banking and financial, hospitality, and within the tradeshow and convention industry. As Digital Out of Home marketing is becoming a new advertising standard,

WHERE WILL YOU PLACE YOUR MESSAGES?
