

Dynamic Mobile Marketing Mobilize your Message

- Put your message in the pockets of consumers
 - Affordable and Effective marketing
 - Maintain your marketing edge

There are an estimated 257 million wireless subscribers in the U.S. - sending approx. 1.6 billion messages per day! Are you one of them? Capta-Vision mobile marketing is a perfect addition to our digital signage deployments and provides highly measurable results. All while continually growing a database for business owners and advertisers to promote current and upcoming events.

Do more than be noticed, be relevant.
